Janice,  
 This is what our accountant is telling me now about having things ready for the transportation report. I don't know why May 1st can't be done, but she's not willing to set that as a date.

Probably not. We will do our best to try and get it all in and questions to you by then but I cannot guarantee that at the moment.

 Subject: Transportation report

Hi Kristina,  
 Our yearly transportation report was due April 1, but I requested an extension to May 1. Do you think taxes will be done by then for me to submit that report?  
 Thank you,
